

# 050 Gymleco Biceps

010 series, Plate Loaded

Try it and see how it feels to train biceps with a machine. The anatomically angled arm pads, handles and the unique posture with chest support offer a smooth and natural movement. The individual arms makes the movement correct and natural.

Compact design and easy to use for anyone.

- Standard frame color: Black
- Standard cushion color: Black or Red
- Adjustable seat
- Long operating range
- 2 weight hangers included
- Easy to set up.

Length	Width	Height	Weight
