

111 Gymleco chins rack standing

100 series Basic equipment

You probably recognize this chins rack from any Fitness competition or Street Workout show in Sweden.

A stable construction with a ledge that is slightly behind the line where you hang for easy access to the bar.

The railing has an untreated bar for the best possible grip.

- Grip diameter: 25 mm
- Easy to get up to the bar
- Can be fixed to the floor
- The bar can be delivered with surface treatment
- Color: Black
