

145 Gymleco calf press, seated

100 series Basic equipment

The forward-facing seat meets the angled footrest and provides a natural posture in this Gymleco calf press.
The footrest ensures that the entire front of the foot has contact throughout the movement. It also gives a natural movement of the ankle. The stop automatically falls out when you start the exercise.

- Angled footrest
- Forward angled seat
- Adjustable thick knee pads
- Standard frame color: black
- Standard color cushion: black / red
