

191V Fixed Dumbbell Exercise Bench

100 series Basic equipment

Gymleco's specially designed Fixed Dumbbell Exercise Bench is designed to optimize dumbbell exercises. The split backrest maximizes exercises such as dumbbell flies or chest presses. This bench is one of several unique benches in our range. A must in every modern gym.

This model is fixed and is not adjustable. If you want an adjustable variant of the same design, we recommend article 193V which is of the same design with adjustable function.
