

# 326 Gymleco Standing Pec Fly

300 series, Selectorized machines

Gymleco's Standing Pec Fly gives you the opportunity to perform wide chest training, which gives you the same feeling as when exercising in a cable cross machine.

The machine has a smooth, correct movement which prevents injury and is equipped with comfortable handles that fit all body lengths.

The machine has two foot platforms that allow the exercise to be performed regardless of body length.

- Standard frame color: Black
- Double footplatform
- Weight block: 100 kg
- Larger weight block (optional)
