

# 351 Gymleco Triceps Extension

300 series, Selectorized machines

The comfortably rounded rubber multi-grip gives you the freedom to find your personal grip on the handles.

The anatomical path of movement is soft and gentle. In addition, it relieves the elbow joints and completely removes the stress from the shoulders.

The footrest provides stability to the workout. The unique lever makes it easy to start and finish the exercise.

- Standard frame color: Black
- Standard cushion color: Black / Red
- Easy to set
- No settings needed
- Weight block: 100 kg
- Larger weight block (optional)
